What could go wrong? What hazard have you identified? What are the risks from it?	Who is at risk?	What are you going to do about it? How are the risks already controlled? What extra controls are needed? How will they be communicated to young people and adults and remain inclusive to all needs?	Review & revise What has changed that needs to be thought about and controlled? Keep <b>checking</b> throughout the activity in case you need to change what you're doing or even <b>stop</b> the activity. This is a great place to add comments which will be used as part of the review, <i>ensure comments are passed to Site Manager</i>
